Important information

About this insurance policy

If **we** issue **you** with an insurance policy, **you** will be given a **schedule**. The **schedule** sets out the specific terms applicable to **your** cover and should be read together with the **policy** terms and conditions.

The **policy** terms and conditions, the **schedule** and any endorsements form **your** legal contract with **us**.

Please keep these documents for future reference. **You** must read this entire document to understand the full terms and conditions of **your policy**.

Agent of the insurer

Please note that in arranging the contract of insurance, **we** are acting under an authority given to **us** by the **insurer**, and **we** will be effecting the contract of insurance as agent of the **insurer**, and not as **your** agent.

Duty of disclosure

Before **you** enter into an insurance contract, **you** have a duty to tell **us** anything that **you** know, or could reasonably be expected to know, that may affect **our** decision to insure **you** and on what terms.

You have this duty until **we** agree to insure **you**.

You have the same duty before **you** renew, extend, vary or reinstate an insurance contract.

You do not need to tell **us** anything that:

- reduces the risk **we** insure **you** for; or
- is common knowledge; or
- **we** know or should know as an **insurer**; or
- **we** waive **your** duty to tell **us** about.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to, **we** may cancel **your** contract or reduce the amount we will pay **you** if **you** make a **claim**, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a **claim** and treat the contract as if it never existed.

Claims made insurance

Your professional indemnity **policy** is issued on a 'claims made' basis. This means that the policy responds: -

- a. to **claims** first made against **you** during the **period of insurance** and notified to the **insurer** during that **period of insurance**, providing that **you** were not aware at any time prior to the **policy** inception of circumstances which would have put a reasonable person in **your** position on notice that a **claim** may be made against **you**; and
- b. pursuant to Section 40 (3) of the *Insurance Contracts Act 1984 (Cth)* which states: "where the insured gave notice in writing to the insurer of facts that might give rise to a claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the contract expired, the insurer is not relieved of liability under the contract in respect of the claim, when made, by reason only that it was made after the expiration of the period of insurance cover provided by the contract".

When the **policy** expires, no new notification can be made on the expired **policy** even though the event giving rise to the **claim** against **you** may have occurred during the **period of insurance**.

General Insurance Code of Practice

The Insurance Council of Australia Limited has developed the General Insurance Code of Practice ("the Code"), which is a voluntary self-regulatory code. The Code aims to raise the standards of practice and service in the insurance industry.

Lloyd's has adopted the Code on terms agreed with the Insurance Council of Australia. For further information on the Code please visit www.codeofpractice.com.au.

What information do we collect and how do we use it?

We collect from **you** all information **we** need to assess **your** application for insurance and to administer **your** insurance policy and any claims **you** may make. **We** provide any information that the **insurer** who provide **our** capacity requires to enable them to decide whether to insure **you** and on what terms. When **you** make a **claim** under **your** policy, **we** assist **you** by collecting information about **your claim**. Sometimes **we** also need to collect information about **you** from others. **We** provide this information to **your insurer** (or anyone **your insurer** has appointed to assist them to consider your **claim**, e.g. loss adjusters or legal advisers etc) to enable them to consider **your claim**. Again this information may be passed on to reinsurers.

What if you don't provide some information to us?

We can only fully consider **your** risk if **we** have all relevant information. The insurance laws also require **you** to provide **your insurers** with all the information they need in order to be able to decide whether to insure **you** and on what terms. **You** have a duty to disclose the information which is relevant to the **insurer's** decision to insure **you**. If **you** provide inaccurate or incomplete information we may not be able to provide **you** with **our** products or services.

Your consent

By asking **us** to assist with **your** insurance needs, **you** consent to the collection and use of the information you have provided to **us** for the purposes described above.

General policy conditions

1.1 Average Provision

This **policy** provides that where the amount required to dispose of a **claim** or **claims** exceeds the **limit of indemnity** in the **policy** then the **insurer** shall be liable only for a proportion of the total **costs and expenses**. This shall be the same proportion of the total expenses as the **policy** limit bears to the total amount required to dispose of the **claim** or **claims**.

1.2 Cancelling your policy

How you may cancel

You may cancel the **policy** at any time by telling **us** in writing that **you** want to cancel it. Where **you** involves more than one person, **we** will only cancel the **policy** when written instructions to cancel the **policy** are received from all persons named as the **insured**.

We will cancel **your policy** by telling **you** so in writing, either in person or by post to **your** last known address.

Return Premium

We will retain the pro-rata premium for the time the **policy** has been in place subject to any minimum premium.

We will return the premium that **you** have paid for the rest of the **period of insurance** (along with GST and any relevant charges where this is allowed).

When the premium is subject to adjustment, cancellation will not affect **your** obligation to supply to **us** such information as is necessary to permit the premium adjustment to be calculated and to pay the amount of the adjustment applicable up to the date of cancellation.

You are not entitled to receive a refund of any underwriting levy charged.

Premium funders

If the premium has been funded by a premium funding company which holds a legal right over the **policy** by virtue of a notice of assignment and irrevocable power of attorney, the return of premium calculated on the basis set out above shall be made to the premium funding company.

1.5 Defence and/or settlement

Subject to the provisions of the *Insurance Contracts Act 1984 (Cth)*, the **insured** shall not admit liability for or settle any **claim** (including any threat or intimation of a **claim** or any circumstances which may give rise to a **claim**, notified to the **insurer** during the **period of insurance**).

1.6 Deductible

In respect of each and every **claim** made against the **insured**, the **deductible** specified in the **schedule** shall be borne by the **insured** at the **insured's** own risk and uninsured. The **insurer** shall be liable to indemnify the **insured** only for the difference between the amount of the **deductible** and the amount of the **limit of indemnity**, provided always that the indemnity for **costs and expenses** incurred with the prior written consent of the **insurer** shall not be subject to the **deductible**.

Where the **insurer** has paid a **claim** inclusive of the amount of the **deductible** the **insured** shall pay the amount of the **deductible** promptly to the **insurer**.

1.7 Governing law

The **policy** will be governed in accordance with the laws of Australia. Any disputes relating to interpretation will be submitted to the exclusive jurisdiction of the courts of Australia.

1.8 Headings

Any headings in the **policy** are included for the purpose of reference only and do not form part of the **policy** for interpretation purposes

1.9 How Goods and Services Tax (GST) affects any payments we make

In addition to the premium, **we** will charge **you** an amount on account of GST.

You must inform **us** of the extent to which **you** are entitled to an input tax credit for that GST amount each time that **you** make a claim under this **policy**. No payment will be made to **you** for any GST liability that **you** may have on the settlement of a claim if **you** do not inform **us** of **your** entitlement or correct entitlement to an input tax credit.

Despite the other provisions of this insurance (including provisions in the **policy** wording, the **policy schedule** and any endorsement), **our** liability to **you** will be calculated taking into account any input tax credit to which **you** are entitled for any acquisition which is relevant to **your** claim, or to which **you** would have been entitled were **you** to have made a relevant acquisition; and

'GST', 'input tax credit', 'acquisition' and 'supply' have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

1.10 Insured notices

Any notice given by **us** to the first named **insured** within the **policy schedule** will be treated as notice to all parties comprising '**you**', '**your**' '**insured**', and it will be effective:

1.12 Insurers several liability

The subscribing **insurers'** obligations under this **policy** to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing **insurers** are not responsible for the subscription of any co-subscribing **insurer** who for any reason does not satisfy all or part of its obligations.

1.13 Joint and several liability

Where the **insured** is an incorporated body and, where any legislation provides that directors of the **insured** are jointly and severally liable with the incorporated body for any civil liability incurred by it, then the **policy** shall indemnify all directors of the **insured** in respect of any liability so imputed, but only to the extent that such liability would have been covered by the **policy** if the civil action had been taken against the **insured** incorporated body alone. An unqualified **principal** (whether a director or otherwise) is not granted indemnity by reason of this provision in respect of civil liability of that **principal** unless the work, the subject of the **claim**, is work in respect of the profession stated in the **schedule** and was being done under the direct supervision or control of a qualified **principal** or a professionally qualified **employee** of the **insured**.

1.14 Multiple claims

All causally connected or interrelated civil liabilities shall jointly constitute a single civil liability under the **policy**.

Where conduct of an **insured** results in a civil liability or alleged civil liability and gives rise to more than one **claim**, all such **claims** shall jointly constitute one **claim** under the **policy**, and only one **limit of indemnity** and one **deductible** shall be applicable in respect of such **claim**.

1.15 Premium

We charge **you** a premium for the cover we provide **you** under this **policy**. The total premium we charge **you** will include any government charges such as stamp duty and

GST. We may charge an underwriting levy which will also be included in **your** total premium. **Your** total premium and the breakdown of government and other charges is shown in **your policy schedule**.

Your insurance intermediary may also charge **you** a service or administration fee. This fee is not included in **your** premium shown in **your policy schedule**.

Factors that affect the premiums charged include:

- **Your** risk profile including **your** claims history
- The limits of indemnity selected by **you**
- Costs of reinsurance
- Any minimum premiums that apply
- Government taxes and duties

When **you** apply for this insurance **we** will tell **you** the total premium payable. **We** will also tell **you** when and how this premium is to be paid. If **you** fail to pay the premium or if **your** payment is dishonored the **policy** will be cancelled in accordance with the Insurance Contracts Act 1984 (Cth)

1.16 Service of suit

The **insurers** hereon agree that:

- a. in the event of a dispute arising under this Insurance, the **insurers** at the request of the **insured** will submit to the jurisdiction of any competent Court in the Commonwealth of Australia. Such dispute shall be determined in accordance with the law and practice applicable in such Court;

who has authority to accept service and to enter an appearance on the **insurers'** behalf, and who is directed at the request of the **insured** to give a written undertaking to the **insured** that he will enter an appearance on the **insurers'** behalf;
- c. if a suit is instituted against any one of the **insurers**, all **insurers** hereon will abide by the final decision of such Court or any competent Appellate Court.

1.17 Subrogation

The **insurer** shall be entitled to claim indemnity or contribution at any time in the name of the **insured** from any party against whom the **insured** may have such rights provided always that the **insurer** shall not exercise any subrogated rights of recovery against any **employee** of the **insured** unless the **claim** has been brought about or contributed to by the dishonest, fraudulent, criminal or malicious act or omission of the **employee**.

1.18 Surrender or waiver of any right of contribution or indemnity

Where another person or company would be liable to compensate **you** or hold **you** harmless for part, or all, of

any loss or damage otherwise covered by the **policy**, but **you** have agreed with that person either before or after the inception of the **policy** that **you** would not seek to recover any loss or damage from that person, **you** are not covered under the **policy** for any such loss or damage.

Claims conditions

1.19 Claims Co-operation

At the **insured's** own expense, the **insured** shall give to the **insurer** all such information and assistance as they may reasonably require to enable them to investigate and defend any **claim** or any litigation against the **insured** or in the prosecution of any recovery action by the **insurer** and/or to enable the **insurer** to determine their liability under the **policy**. The **insured and insurer agree to endeavor to maintain confidentiality and privilege to the extent possible, but the Insured otherwise** agrees such waiver to the extent necessary for the legitimate underwriters' interests. The **insured** shall, at its own expense, do all such things reasonably necessary and practicable to avoid or diminish any loss hereunder.

1.20 Insurer's right to contest

If the **insured** refuses to consent to any settlement of any **claim** recommended by the **insurer** and elects to contest or continue any **legal proceedings** in connection with such **claim**, the **insurer's** liability shall not exceed the amount for which the matter could have been so settled (subject to the aggregate **limit of indemnity**) less the **deductible** specified in the **schedule** together with **costs and expenses** incurred up to the date of such refusal.

1.21 Making a Claim

Tasman Underwriting acts as agent of the **insurer**, in relation to receiving and managing **claims**.

The Claim Process

Claims or notifications must be reported in writing by completing a notification form which can be obtained by telephoning 1800 234 338, emailing cm@tasmanuw.com.au or from www.tasmanuw.com.au. Do not make any statement on the notification form that could be construed as an admission of fault. Confine **your** notification to statements of fact, and leave expressions of opinion for later discussion with a Claims Manager.

If the matter is urgent, advice can be obtained from one of **our** legally qualified Claims Managers.

Return the completed notification form with any supporting documents to:

Tasman Underwriting

Level 21, 41 Exhibition Street Melbourne 3000

Fax: (03) 9500 2274

Email: cm@tasmanuw.com.au

1.22 Notification of Claims

All **claims** must be promptly notified to the **insurer** in accordance with Clause 3.1 Indemnity Clause regardless of whether or not the **Insured** believes the quantum of any such **claim** is likely to be within or above the amount of the **deductible** specified in the **schedule**

1.23 Senior Counsel

Neither the **insurer** nor the **insured** shall require the other to contest or continue to contest any **legal proceedings** in respect of any **claim** unless a **senior counsel** (to be mutually agreed upon by the **insured** and the **insurer**) shall advise that such **claim** should be contested.

In formulating such advice, **senior counsel** shall take into consideration the economics of the matter, the damages and costs which are likely to be recovered by the plaintiff, the likely **costs and expenses** and the prospects of the **insured** successfully defending the **claim**.

The cost of such **senior counsel's** opinion shall be regarded as part of the **costs and expenses** recoverable under the **policy**.

1.24 Severability and non-imputation

The **insurer** agrees that where the **policy** insures more than one party, any conduct on the part of any party or parties whereby such party or parties:

- b. made a misrepresentation to the **insurer** before this contract of insurance was entered into; or
- c. failed to comply with any terms or conditions of the **policy**;
